

## **FUNDS AVAILABILITY POLICY**

NOTICE: In accordance with Federal Reserve Regulation CC we must inform you of our policy regarding your access to funds deposited into any transaction amount at our institution. Our Funds Availability Policy is outlined below.

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. However, longer delays may apply, see below.

Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

## **LONGER DELAYS MAY APPLY**

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the fifth business day after the day of your deposit. The first \$200 of your deposits, however, will be available on the day of your deposit.

If we are not going to make all of the funds from your deposit available on the day of your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposits.

In addition, funds you deposit by check may be delayed for a longer period if we doubt the collectability of the item(s). We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the eleventh business day after the day of your deposit.
